

BUSINESS PROFILE

FOR

AQUABEL AGRO-BIZ LTD

AQUABEL AGRO-BIZ LTD is a leading provider of high-quality fish feed solutions, dedicated to supporting the aquaculture industry with sustainable and efficient feed products. Our flagship brand, **AQUABEL FISH FEED**, is renowned for its nutritional excellence and affordability, catering to the diverse needs of fish farmers across the region.

Mission Statement:

At **AQUABEL AGRO-BIZ LTD**, our mission is to enhance the productivity and profitability of fish farming operations by offering innovative,

scientifically formulated fish feed solutions. We strive to empower fish farmers with the resources they need to achieve optimal growth and health in their aquatic livestock while promoting environmental sustainability.

Also, Our mission is to make sure that every household in Nigeria and Africa gets at least one fish meal to serve as a protein meal." At AQUABEL AGRO-BIZ LTD, we believe that access to nutritious food is a fundamental human right. With this vision in mind, we are dedicated to addressing food security challenges by promoting the consumption of fish, a rich source of protein and essential nutrients.

In Nigeria and across Africa, millions of people struggle with inadequate access to nutritious food, leading to malnutrition and related health issues. By focusing on increasing the availability and

affordability of fish, we aim to play a significant role in combating hunger and improving public health outcomes.

Through our commitment to producing high-quality and affordable AQUABEL FISH FEED, we empower local fish farmers to boost their productivity and expand their operations. By supporting small-scale and commercial aquaculture enterprises, we create employment opportunities, stimulate economic growth, and contribute to poverty alleviation in communities across the region.

Furthermore, we recognize the importance of education and awareness in promoting the nutritional benefits of fish consumption. Through outreach programs, partnerships with local organizations, and engagement with government agencies, we strive to

educate consumers about the importance of including fish in their diets and provide resources to help them make informed choices.

Our mission extends beyond merely selling fish feed; it is about catalyzing positive change in the lives of individuals and communities. By working together with stakeholders across the aquaculture value chain, we are committed to ensuring that every household in Nigeria and Africa has access to affordable and nutritious fish, helping to build healthier, more resilient communities for generations to come.

Product Offering:

Our company specializes in the production of AQUABEL FISH FEED, a comprehensive range of feeds tailored to meet the specific nutritional requirements of various fish species.

Developed through extensive research and utilizing premium-quality ingredients, our fish feed formulations ensure maximum digestibility, growth, and disease resistance in farmed fish.

Key Features of AQUABEL FISH FEED:

Balanced nutrition: Formulated to provide essential vitamins, minerals, proteins, and fats required for healthy fish growth.

Optimal feed conversion ratio: Designed to maximize feed efficiency and minimize waste, resulting in cost savings for fish farmers.

Enhanced digestibility: Utilizing advanced processing techniques to

improve nutrient absorption and promote overall fish health.

Sustainable sourcing: Committed to sourcing ingredients responsibly, minimizing environmental impact, and supporting sustainable aquaculture practices.

Versatile formulations: Available in various pellet sizes and compositions to accommodate the unique dietary needs of different fish species and life stages.

Quality Assurance:

At AQUABEL AGRO-BIZ LTD, quality is our top priority. We adhere to stringent quality control standards throughout the production process, from ingredient sourcing to final packaging. Our state-of-the-art facilities are equipped

with advanced testing equipment to ensure that every batch of AQUABEL FISH FEED meets the highest standards of safety, purity, and nutritional value.

Customer Support:

We are dedicated to providing exceptional customer service and technical support to our clients. Our team of aquaculture experts offers personalized guidance and advice to fish farmers, helping them optimize feed management practices and achieve superior results in their operations. We are committed to building long-term partnerships with our customers, based on trust, reliability, and mutual success.

Sustainability Commitment:

AQUABEL AGRO-BIZ LTD is deeply committed to sustainability and

environmental stewardship. We continually invest in research and development to innovate new feed formulations that minimize environmental impact, reduce dependency on wild fish stocks, and promote the long-term health of aquatic ecosystems. By choosing AQUABEL FISH FEED, fish farmers can contribute to a more sustainable future for aquaculture.

In summary, AQUABEL AGRO-BIZ LTD is a trusted partner for fish farmers seeking high-quality, sustainable, and cost-effective feed solutions. With our commitment to innovation, quality, and customer satisfaction, we are poised to lead the way in shaping the future of aquaculture.
